

# Hastelloy C276 Tubes

Chhaged Steel & Alloys are aggressively venturing into exporting of our products to various countries. **Hastelloy C276 Tubing** has high nickel and molybdenum contents make it resistant to pitting and crevice corrosion in reducing environments while chromium delivers oxidizing resistance to media. During welding **Hastelloy C276 Seamless Tube** low carbon content minimizes carbide precipitation in order to maintain corrosion resistance in as-welded structures. Alloy C276 Tube resists formation of grain boundary precipitates in the weld heat affected zone which makes it useful for most chemical processes in the as-welded condition.

**2.4819 Alloy C276 Tube** are useful for flue-gas desulfurisation plants equipment, Equipment for processes utilizing halide or acid catalysts, components exposed to sour gas, digesters and bleach plants in the paper industry, Evaporators, heat exchangers, filters and mixers used in sulfuric acid environments.

**Hastelloy C276 Tubes, Hastelloy C276 Welded Rectangular Tubes Manufacturers, Hastelloy C276 Seamless Tube Suppliers, Hastelloy C276 Marine Exhaust Tube Exporters Hastelloy C276 Polished Decorative Tube Stockiest.**

**Hastelloy C276 Square Tube in India, Hastelloy C276 Tubes Manufacturers in India, Hastelloy C276 Rectangular Tube Suppliers in India, Hastelloy C276 Hydraulic Tube Exporters in India, Hastelloy C276 ERW Tubes Stockiest in India.**

**Chhaged Steel & Alloy Pvt Ltd.**

Office No 7, 42/46, Mughbat Lane, Shantaram Chawl, Girgaum, Mumbai - 400 004.

**Mobile:** +91 98215 13630 / +91 93211 13630

**Tel:** + 022-2386 1894
