

IS 1161 YST 240 Steel Pipes

Chhaged Steel & Alloys are aggressively venturing into exporting of our products to various countries. **Carbon steel IS 1161 YST 240 pipes** known to offer many beneficial properties. For instance, Properties such as good resistance to corrosion and high durability are good tensile strength in Carbon Steel IS 1161. They have unique mechanical properties depending on the ISO standards bearing 0.12% max. Steel IS 1161 Structural Tubes are easy to install and not low maintenance. Means that the specified IS 1161 YST 240 carbon steel pipes contain durable standard, and they are also produced from good quality raw materials.

Carbon steel specified IS1161-98 hfs yst 240 Erw Pipe are mild steel grade, and they are the cost of these pipes are low, on account of the low alloying costs involved. This particular grade of **IS 1161 Steel** with hot finished seamless tube includes few important features such as rugged design, shear strength. Across many fields, IS 1161 CS Structural Tubing are cost efficient alternative.

IS 1161 YST 240 Steel Pipes, IS 1161 YST 240 Steel Welded Rectangular Pipes Manufacturers, IS 1161 YST 240 Steel Seamless Pipe Suppliers, IS 1161 YST 240 Steel Marine Exhaust Pipe Exporters IS 1161 YST 240 Steel Polished Decorative Pipe Stockists.

IS 1161 YST 240 Steel Square Pipe in India, IS 1161 YST 240 Steel Pipes Manufacturers in India, IS 1161 YST 240 Steel Rectangular Pipe Suppliers in India, IS 1161 YST 240 Steel Hydraulic Pipe Exporters in India, IS 1161 YST 240 Steel ERW Pipes Stockists in India.
