

# IS 4923 YST 310 Steel Pipes

Chhajed Steel & Alloys are aggressively venturing into exporting of our products to various countries. **Carbon Seamless YST 310 Grade Steel Pipes** has been used in the low pressure conveyance of various mediums LIKE gas, air or steam and are generally used in the Oil & Gas Pipelines. After looking at the growth demands and need of this product among customers in the industries. They are used for steel structural works like bridges and building and more. IS 4923 YST 310 Square Tube is also thin wall while having a straight bead and good precision. Using various latest technology and tools, the hollow section is made, so as to get desired shape and sizes. **YST 310 Grade Steel Pipes Carbon Seamless** are not only be the best but also the most cost effective solution to our clients. IS 4923 YST 310 Square Hollow are prefer for industries such as buildings construction, machinery, irrigation & distribution because of its resistance to high heat, extreme cold & high temperature gases. YST 310 IS 4923 Rectangular Hollow Sections are also useful in the transportation of water, oil, as well as other fluids.

**4923 steel pipes** constructed under this standard have different minimum yield strengths of 310, 240, 310 as well as 355. Carbon steel cold formed ASTM A500 YST 310 Hollow Section pipes are produced in a seamless or welded manner, being available in a rectangular form, the Jindal Grade YST 310 RHS is produced in any shape like round or square. It is a fire resistant and is non-corrosive by nature and are made from high quality materials. They are ease in installation along with properties like high tolerance and also good conductivity and high tensile strength. **Carbon steel pipes** yield strength requirements for the ASTM A500 specified YST 310 SHS tend to be higher for both square and also rectangular pipes in comparison to round tubing.

**IS 4923 YST 310 Steel Pipes Pipes, IS 4923 YST 310 Steel Pipes Welded Rectangular Pipes Manufacturers, IS 4923 YST 310 Steel Pipes Seamless Pipe Suppliers, IS 4923 YST 310 Steel Pipes Marine Exhaust Pipe Exporters IS 4923 YST 310 Steel Pipes Polished Decorative Pipe Stockists.**
